1. INTRODUCTION

The organisation, as a clinic engages in both Clinical Research and Private Treatment.

The organisation recognises there are clear differences between Research Participants and Private Treatment Patients and acknowledges the need for transparency of instructions to both patient groups attending clinics ran by the organisation. This policy focuses on participant expenses for those involved only in private treatment services.

2. PURPOSE OF THE POLICY

This policy outlines the reimbursement guidelines for private treatment services.

3. SCOPE OF THE POLICY

This policy applies to all clinics run by the organization and all patients attending.

4. PROCEDURES

Since Private Treatment patients are not considered volunteers, reimbursement of reasonable expenses will not apply in any circumstances.

5. ASSOCIATED DOCUMENTS

Neuroclnx Policy – Service User Participation

6. ROLES AND RESPONSIBILITIES

All staff at the organisation have a responsibility to be knowledgeable in this policy related to subject expenses.

Neuroclnx has a responsibility to share this policy with all participants at their first contact to the relevant clinic, and to circulate any updates in this policy to all active database patients.

Patients are expected to read this policy when it is provided.
